Assessment Criteria

Students will be assessed on the degree to which they demonstrate understanding and communicating through assessment tasks using the four macro skills. For marking schemes, refer to assessment task descriptions, which will be published on the class pages for the current semester on Languages.Org.Au.

ACT BSSS Assessment Procedures

Completion of assessment items: Students are required to substantially complete and submit all assessment items that contribute to the assessment for a unit unless due cause and adequate evidence is provided. Otherwise, any student who fails to submit assessment tasks worth in total 70% or more of the assessment for the unit will be deemed to have voided the unit.

Late submission of work: Late non-test work will be subject to a penalty of 5% per day including weekends, unless prior arrangement is made for an extension, supported by evidence of due cause for the extension.

Moderation: Moderation within CAL includes the meshing process described under “Meshing”. Moderation is conducted every semester within CAL and at system level to ensure comparability of grades from different units and schools. Small group moderation is used for cohorts of fewer than 10 students.

Calculation of unit scores and course scores: Unit scores are derived from marks allocated according to the assessment item weightings. Course scores are based on unit scores reported over the duration of a student’s program of study. Course scores in each T or H course are calculated from a student’s best 80% unit scores. See the [overview about scaling and the ATAR](#) on BSSS website.

The meshing process for units in CAL programs includes the use of common assessment criteria; similar assessment task design for units within each scaling group; and consultations with teachers of the units prior to finalising unit scores.

Academic integrity: Assessment tasks must be done without plagiarism. Advice in relation to ownership of work, acknowledgement of sources and plagiarism is outlined on the ACT BSSS website. See BSSS Policy & Procedures Manual for details.

Appeals: Procedures for appealing a grade or score are outlined on the page “[Your rights to appeal](#)” on BSSS website.

Attendance/Participation: It is expected that students will attend and participate in all scheduled classes and structured learning activities for the units in which they are enrolled, including off-site components (required components of homework), unless adequate documentary evidence is provided of due cause for missed work. Any student whose attendance falls below 90% of the participation requirements in a unit without due cause supported by adequate evidence will be deemed to have voided the unit.
